Have been assessed or rated elsewhere

We recognize assessments from other organizations or tournaments, but reserve the right to reassess if the rating does not fit well within our own Level play system.

There is also Social Play on Fridays 5-7 and most Sundays 5-7. Check the monthly schedule on the website for times and possible changes to the schedule.

You are welcome to drop-in to Social Play, but **please contact us before attending a Level Play session.** Call or email David - magicalmarsh@gmail.com - 604-740-8385

Have played elsewhere, but have not been rated

Come out to a Beginners session - see the facility, meet some nice people and let the coach know that you may want to be assessed for a higher level.

Our assessment process is ongoing and very fair.

If you have been playing a long time at a high level and want to discuss this further, contact David - magicalmarsh@gmail.com - 604-740-8385
