

The "Drop-In" Painters meet Thursday afternoons - 12:30 - 3pm in the Craft Room

We are a group of people who enjoy painting together and have six to eight regular attendees. We have chosen not to have an instructor, but members are supportive of each others work if asked.

We paint in both acrylic and watercolour pastels, and ask that no participant use oils paints as the Centre is a scent free area. We bring our own painting equipment, have a small library and welcome newcomers.
