# **President's Message**

November has jumped up very quickly, bringing the joy of fall colors, the discomfort of chilly mornings, and the expectation that Christmas is on the horizon. This month, the Board is pleased to welcome back Tess Apedaile as a Director at Large. Tess' experience and welcoming manner are an important asset to the Centre, and she is a joy to work with.

The Board is still in urgent need of a Secretary. This role is crucial to a well functioning Board. The secretary is the paperwork expert on the Executive, maintaining records, filing official documents, preparing agendas, recording minutes, maintaining the filing system. Providing this kind of order to an office gives a feeling of satisfaction, and earns you the respect and gratitude of your colleagues. Your hours are flexible as well. We have been very fortunate in having Wilma Lorimer as Secretary, and she will be happy to assist the new person. So, if you would like to join the Board in this capacity, please contact me. You will be very welcome!

Centre activities are run by members for members, building on our long tradition of volunteerism. A very few instructors are hired because they have specific expertise in areas such as fitness, or yoga. When the size of the class is not large enough to cover this expense, and only if it is in the interest of members, we sometimes allow the instructor to rent the facility. This has caused some confusion this fall, because there are two such situations; Dance Cardio and Zumba. When an activity is offered by a renter, that renter assumes the responsibility for the activity, promoting, advertising, payment, etc. The activity is not on the SSAC schedule or web site, and the Centre's only responsibility is to collect the rent.

The design phase for the building expansion has begun. Engineering and architectural services have been hired, a land survey is being done, and a construction cost estimator will be selected soon. We will have a preliminary design later this month, and final design documents, a construction cost estimate, a construction budget, and building permits early in the New Year. I am impressed that we have a team of very knowledgeable people working on the project, including David Lightfoot, SSAC Project Coordinator, and Peter Treuheit, Mobius Architecture, Lead Consultant, backed by our dedicated planning committee.

Many Christmas events are happening already this month. The Christmas Craft Fair on November 18 is once again a joint venture between the SSAC and community vendors, providing more interest and variety. A very beautiful quilt has been donated by the Quilters' Guild, to raffle as a fundraiser for the refugee sponsorship project. Please view it in the lobby. Tickets are only \$2.00 each, or 3 for \$5.00, with the draw being at the Christmas Craft Fair.

This month is also the time for our General Membership meeting, Nov. 16, at 1:30 pm. There will be cookies. See you there!

## **Refugee Project Update**

Finally! Our sponsored family has received their appointment to be interviewed for their application to Canada. They are very excited, especially the three boys. I imagine the parents are both excited and apprehensive at such a monumental life change. There will also be a lot of sadness at leaving home and family behind. I remember this from my own family's experience. We have an excellent team on our refugee committee, who is poised to give the family the support they will need. It will still be several weeks before they arrive, so we have time to organize. Our big challenge is to find affordable rental housing for a family of five. If you can help in any way, please contact me!

In the meantime, fundraising continues. Check us out at the Christmas Craft Fair, buy a "Stepping Stones" book, and a ticket for the Quilt Raffle. - Joanne Rykers

#### WANTED by November 10th!

The Pop-up Decorating Committee is looking for Christmas Stockings – all varieties (modern, heirloom, pet, etc.) to decorate the Centre for Christmas. Please bring to the front desk. If you'd like your stockings back, pin your name and contact information to the back of the stocking. Thanks!

#### Save those grocery receipts!

Don't forget to save your grocery receipts from IGA and Claytons. These two locally owned stores generously give us a \$20 credit note for every \$5000 that our members spend. This helps reduce the cost of food that we purchase for our wonderful lunches.

Just deposit the sales receipts in the box next to the front door.

### **Introducing Jean-Claude Van Damsel-fish**

#### **News from Salt Seas Aquarium**

We would like to thank everyone who supported our Aquarium on October 19<sup>th</sup> with our Cinnamon bun fundraiser. With those funds we have been able to purchase 3 items for our fishy friends.

The first is a new fish! Look for the Yellow Tailed Blue Damsel fish (Chrysiptera parasema). This feisty little Damsel is yet unnamed. One contender is "Bluey", another is "Jean-Claude Van Damsel-fish". We are still open to suggestions.

The second purchase is a cover for the aquarium. It blocks out the light which, for security reasons, is left on at night, directly over the aquarium. Every creature needs a period of darkness, and Charlie the Clownfish was especially affected by his lack of sleep. Since the cover has been on at night, he has become much more active, and swims around the tank instead of hiding in the corner.

Our community is welcome to take off the cover when the light is on, and to cover the tank if the lights are out. It is stored in the upper left hand corner of the cabinet below.

Lastly, your contributions have purchased a new light for our tank! Thank you all very much.

### **Memory Café Fitness**

One of the many challenges presented by dementia is coping with social interactions. Studies have shown that socialization provides dementia sufferers with a sense of belonging while at the same time improving brain function and helping to maintain focus.

Memory Café is designed for people suffering from short term memory loss, early and mid-stage dementia AND their caregivers. The group meets on Tuesday at 1pm in the Farish Room. The first 15 minutes are set aside for anyone wishing to share. The rest of the hour is spent playing games such as dominoes, card or dice games, or bingo. It is a wonderful opportunity to come together with others facing the same challenges. The cost is \$1.50 per person. Caregivers must accompany the person with memory issues.

At 2 p.m., following the Memory Café meeting, Memory Café Fitness takes place in the auditorium. Physical exercise is essential for maintaining good blood flow to the brain and may encourage new brain cell growth and survival. The cost for this SSAC activity is \$3 per person and takes place every Tuesday from 2-3pm except the 1<sup>st</sup> Tuesday of the month. To join Memory Café Fitness, you must be a SSAC Member.

### **Pickleball Tournament**

On October 22nd, the SSAC Pickleball held another fun Round Robin tournament.

Congratulations to the winners!

- Level 2.5-3 Peter MacKenzie
- Level 3.25 Rick Haimes
- Level 3.5 Sue Brown

# Did You Know?

14

Did you know that the Centre has a Cribbage Group? Would you like to play a game of old-fashioned Crib? There are 12-14 of us who meet every Thursday at 7 p.m. in the Heritage Room. It's \$3 per night (and we volunteer another \$1 for prizes). You can even win a small 1st, 2nd or booby prize. Cribbage is one of those games that is good for the brain. Try it, you might like it.
