## 2024 SSAC AGM

he 2024 SSAC Annual General Meeting was called to order at 1:30pm Wednesday 20<sup>th</sup> March. Seventy-nine members were present, having scanned in at the MySeniorCenter Kiosk to confirm their membership. After the welcome, the singing of the National Anthem and a moment of silence, the current SSAC board members were introduced. The attendance of a quorum of at least 30 current members 50+ years of age was confirmed, leading to motions being made and passed to accept the Agenda and the Minutes of the SSAC Fall General Members Meeting October 25<sup>th</sup>, 2023. The Treasurer's and President's reports were then presented.

#### TREASURER'S REPORT - Alison Kowalewski

A printed detailed financial report for the year was distributed to members at the AGM. The table below shows the overall summary of the report. Expenses for 2023 were \$537,376, however revenues of \$564,251 ensured a net excess of \$21,242. The large increase in both expenses and revenues over those of 2022 are mainly a result of a dramatic increase in the numbers of members. In March 2022 we had around 1,200 members and currently have over 1,600 active members. Both Activity Fee revenue and Kitchen sales have increased commensurately.

### 2024 SSAC AGM

#### PRESIDENT'S REPORT - Richard Ward

When I took on the Presidency in March 2023, I promised that I would try to help enhance the organisation of the Centre whilst creating an uplifting environment. I am so proud when I see newcomers coming in being astonished that there is so much activity, often remarking on the joyful ambience.

What still amazes me is that such a complex organisation with so many moving parts can run so well with one paid Centre Manager, Gillian Smith and over 150 volunteers. The dedication of our volunteers is remarkable, and the enjoyment they exhibit is infectious to the members coming in. Hopefully they know how grateful the board and members are for their efforts. The other two vital paid staff are chefs Emily and Liz. The Centre would not be the same without them. Keeping the price of the meals down by starting the Affordable Lunch program donation campaign in September has really shown the generosity of our members to each other. Currently, the Affordable Lunch program has brought in \$5,804.30 in donations.

The Centre would not run as well if we did not have a strong working board. So, I need to give wholehearted thanks to all the board members who have worked so hard supporting us this year. Thanks go to several board members that left during the year for either health or relocating-related reasons: Roy Wren, Andy Koberwitz, Douglas Smith, Gwen Austen, John Keller. Of the current board Alister Blair, Chris Hadaway and Chris O'Brennan have decided not to stand for re-election, and I thank them for their tremendous service.

This has been a year of tremendous growth and changes:

- **Audio-Visual and Computer Capabilities:** Thanks to \$40,000 in grant funding, we now have sophisticated audio-visual systems in the dining room, in addition two portable 65" TVs with Web conference cameras allow us to offer full multi-media conferencing facilities in any room. Eight new PC laptops and a MAC powerbook give us tremendous flexibility for offering educational classes and support for office computer needs.
- **Bookkeeping:** We have moved to a comprehensive bookkeeping service (provided by Kate McLaughlin and Irina Paris of Luna Bookkeeping, Sechelt), which has tremendously streamlined and enhanced monthly balance report production and payroll services.
- **Network Environment:** We have moved from a Google Drive based network to a MS 365 environment. Fortunately, a new volunteer Myrla Bulman comes to our aid with vast previous experience in just such a transition.
- **Domain Name:** There were complaints that our email address .. @ secheltactivitycentre.com was too long, easily misspelled. At minimal cost we changed our domain name to ....@myssac.com. For example, to contact myself use president@myssac.com. Other email addresses are treasurer@myssac.com and manager@myssac.com.
- **Donation Campaign:** Our much-needed donation campaign which was started in September 2023 was a great success. As mentioned already the Affordable Lunch program has helped us to restrain meal costs. The General Revenue program resulted in several large gifts that allowed us to carry out expensive maintenance and repairs to our heating and cooling systems. The SSAC Endowment Fund administered by the Sunshine Coast Foundation has given a vehicle towards sustaining the financial stability of the Centre. It hopefully will fill with in-memoriam and legacy giving through wills. The yearly interest on the fund will provide a guaranteed income stream to the Centre, which is something we do not currently have, as we have no yearly government or outside agency support.
- **MySeniorCenter:** The biggest change of all this year, was the move to MySeniorCenter. It has revolutionized our operations. We are indebted to Alison Kowaleski, May Jim, Chris Twaits, Pam Demers and Chris Hadaway for the months of work they put in to bring the system online. In addition, thanks to all the office volunteers that have undergone training and are coping with all the

continual changes the system has brought. We are only part way to full implementation of the system. Currently you can scan into your activities of choice, and you have a virtual wallet to load and from which you can pay for your activities. We are eagerly awaiting the completion by the company of online software MyActiveCenter that will allow you among other things to register for activities online on the electronic device of your choice. There will be a secure payment option to deposit funds into your account, so you will not have to come into the Centre to fill up your wallet. By the Fall we should have everything running smoothly.

At this point in the meeting the current board was dissolved and the candidates for the Vice-President. and Directors-at-large positions were given the opportunity to give brief verbal statements supporting their candidacy. President, Treasurer, Secretary and Maintenance Director positions were filled by acclamation of the single candidate nominated. The election of vacant positions pursuant to section 59 of the Constitution and Bylaws followed. Election Committee Chair Chris O'Brennan aided by Helen Ward collected and counted the completed ballots.

Voting resulted in your 2024 SSAC Board members shown below.

Vice-President	Bert Carswell
Treasurer	Alison Kowalewski

DIRECTORS-AT-LARGE

Congratulations to all the members of the new board and thank you for stepping up to the task. Thanks also to the unsuccessful candidates Mark Garland (VP) and Directors-at-large Mary Flynn, Mary Pinnegar, Myrla Bulman, and Birgit Stefani. What was impressive was the experience and expertise of all the candidates. We were guaranteed a strong board whoever was elected. Hopefully, the unsuccessful candidates will be willing to lend their expertise through their involvement in our numerous committees.

#### Policies & Procedures

## Health, Safety, and Security

BY BERT CARSWELL

our Board of Directors takes its members' safety seriously. In order to help achieve that goal, we have a policy on Health Safety and Security which is below in this article. I recommend you familiarize yourself with the general contents of this policy and that of the health safety and security bulletin board located in the lobby. There are two emergency kits located in a glass cabinet in the hallway into the auditorium. One kit is for general first aid and the other one (AED) is for treating a suspected heart attack. It can be safely used by anyone and guides the user through every step. The H S & Security Committee will be organizing voluntary training sessions this year for all members on the the use of the AED.

# MySeniorCenter Update

e have added additional kiosks in order to speed up the registration process into activities. In addition to the greeter's kiosk there is an express

kiosk now positioned at the far end of the corridor for wallet payments only. This placement will minimise congestion by the front doors. If you still want to use cash, you will need to go through the greeter's kiosk. We encourage those who have not yet taken advantage of the wallet to do so. The third kiosk is on the stage in the Auditorium for after hours Auditorium events. As of Monday April 8th, all after hours activities will be by wallet payment only. No cash will be accepted.

#### **Wallet Tips**

- Wallet payments are loaded in the members account and can only be used by that member.
   You cannot register into the kiosk twice to pay for 2 people.
- The office will remind you if your Wallet Balance is under \$10 so you can top it off before your Wallet Balance runs out of money.
- The Wallet payment is not automatically taken from your account when you register into an activity. The payment has to be manually taken out of your Wallet. We have to ensure there are sufficient funds in place before payment is taken.

Thank to all of you for your patience as we through this transition. •

# MSC Broadcast It's not a Scam!

A convenient feature of the new MySeniorCenter (MSC) system is the ability to send out Broadcasts to our members. When you filled in your personal information sheet and got your MSC key tag you were asked by which mode would be comfortable receiving messages from the centre. Your options were

email, text or voice messages to your phone. You could select one or more of these options. We are trying not to overuse it but if we have an important message we want to get to all members or just a subgroup of them, we can send out a broadcast. A recent example is we had to notify you at short notice that the kitchen would not be open on a certain day. However, when we sent out such broadcasts in the past it has alarmed some members, thinking that this might be some sort of scam. Sadly, scams are very prevalent especially in Seniors. Therefore, we wanted to give you some information intended to allay your fear about our broadcasts.

#### TEXT BROADCAST

If you opted to receive Text messages, the phone number sending the message will show as **(855) 626-5112**. If you go in to your contacts, you can label that number as SSAC or Seniors Centre as you wish. The first line of the text will always be "From Sechelt Seniors Activity Centre". The end of the message will always be "Do not reply to this message". You can not call this number. It is simply a number used by the MSC system to send the message from.

#### **EMAIL BROADCAST**

If you opted to receive emails, then the broadcast emails will be sent from **office@myactivecenter.com**. The broadcast emails have a distinctive blue panel with the topic of the e-mail broadcast and the indication that is from the Sechelt Seniors Activity Centre. This too will have at the end of it the phrase "Do not reply to this message". This email address is not monitored, and you will not receive a reply if you send to it.

Although it is available to use, we do not plan to send voice messages to your phone. We will let you know if that decision changes in the future. You may however receive an individual phone call from one of our front desk volunteers if the need arises.

## Advance Care Planning Workshop

#### Monday, April 22, 2024 - 2:00-4:30pm

An accident or medical crisis can happen to anyone, of any age, at any time. In this workshop, presenters from **Sunshine Coast Hospice** will introduce you to the **Sunshine Coast Green Sleeve** and explore the steps involved in making an advance care plan. Advance care planning (ACP) is a process of thinking ahead about the type of health and personal care decisions you would like to receive if you get injured or very sick and cannot speak for yourself. The Green Sleeve is a place to store your ACP documents. Putting a plan in place will help ensure you get the care you want, and it will help your family at a difficult time. Limited seating – sign up for this free workshop at the front desk or call 604-885-3513.

## Social Bridge

The Social Bridge Group has had a constant membership, but quite small. Usually we host 2 tables, but would like to have more membership and thus more flexibility. We meet each Monday at 1 pm (holiday Mondays excluded), and would love to invite more participants. It is a drop-in session and you can come as a single, but coming in pairs is preferable. Members can be inexperienced as we help each other learn, but the main thing is to enjoy a friendly game.

#### Rowland WT. Money

We are saddened by the passing of Rowland William Taylor Money. Born August 12, 1927 in Vancouver, BC.

Rowland worked in banking, insurance, and dry cleaning. He married Anna Mae Scheldrup in 1954 and they raised three children.

Rowland was predeceased by Anna Mae in 1987, his father William in 1991, his mother Dorothy in 1973 and his sister Jocelyn in 1999.

In 1987 Rowland met Sandra Sharkey and they spent 36 happy years together. Rowland had a great tenor voice and sang with local groups and at care homes on the Sunshine Coast. Rowland and Sandra loved to travel, entertain family and friends at their waterfront home in Sandy Hook and, more than anything, loved to dance. He enjoyed downhill and water skiing, scuba diving, riding his jet ski in the inlet and spending summer evenings on the dock with family and friends. Rowland also tried hang gliding and had great fun travelling on his motorcycle. He skied up until the age of 85, zip trekked in Hawaii at 88 and went on his last international trip to Croatia with Sandra in 2018.

Left to grieve are his loving wife Sandra, his children David (Anne), Diane (Lyle) and Donna, his grandchildren Jorden (Chris), Cara (Cody), Laura (James) and Kyle (Julia), his great grandchildren, Thomas and Jacob and his nephew Mark. Our sincere appreciation to the caring men and women of Sechelt Hospital, Silverstone Care Centre and especially Dr. Sara Nouh.
